

# DRASHTI CHITRE

## Web Developer

As a fresher Web Developer, I am proficient in a wide range of web development technologies including HTML, CSS, Bootstrap and JavaScript. I have a strong foundation in backend development using PHP, and am skilled in database design and management through MySQL and PhpMyAdmin.

As a fresher, I am eager to apply my skills and knowledge in a professional setting, and to continue to grow and learn as a developer.

In summary, I am a skilled full stack developer with experience in HTML, CSS, Bootstrap, JavaScript, PHP, MySQL, and PhpMyAdmin. I am dedicated to delivering high-quality solutions and am excited to apply my skills and knowledge in a professional setting.

### Project

Created Login-Registration system with database.

Created File Sharing system from scratch using HTML, CSS, BOOTSTRAP, PHP, MySQL and PhpMyAdmin database.

### Career Cruise

Website Design

Currently developing start-up mentoring system website using my front-end skills. Using HTML, CSS, JavaScript for website design. Making it responsive using Bootstrap. Managing backend and database using PHP, MySQL and PhpMyAdmin. Documented whole project work in MS Word.

### Website Templates

Weltec
